HONDA

HANDHELDS

ENGINEERING FOR *Life*

IT'S NOT JUST CLEVER ENGINEERING, IT'S ENGINEERING FOR *Life*

When designing our gardening range, we looked at your life from every angle, and put decades of experience into creating technology that solves problems. Our aim was not only to build the best possible tools for the job, but to create products that are a joy to use and own.

CORDLESS RANGE

DESIGNED WITH YOU IN MIND

Efficient, effective and comfortable, this hardworking range gives you everything you need to get the job done. Each tool is powered by Honda's Universal Battery system that delivers sustained power.
No cords, no compromises, there really is nothing holding you back.

HONDA UNIVERSAL BATTERY

The Honda Li-ion battery can power any tool in our cordless range, and recharge takes only minutes. Simply switch our efficient battery to another cordless Honda tool to enjoy the constant, unwavering performance, and significantly higher runtime, of our Thermo Smart technology in every single part of your garden.

INDUSTRY LEADING TECHNOLOGY

FEATURES

LIGHTWEIGHT DESIGN

Honda's new Cordless garden range tools are lightweight and easy to lift, making them comfortable to use for as long as you need.

COMFORTABLE HANDLING

Extensive gardening tasks call for increased comfort. As well as a carrying strap on our Lawntrimmer, you can find a customisable handle grip on the Hedgetrimmer and Lawntrimmer, making it easier to balance and comfortably manage your tool.

VARIABLE SPEED CONTROL

Enjoy complete control with a variable speed trigger on both the Blower and Lawntrimmer, allowing you to find your perfect speed.

FULLY INTERCHANGEABLE

Our easy load batteries are fully interchangeable and designed to seamlessly fit all three handheld products, and cordless lawnmowers. Each battery is available in 2, 4, and 6 Amp hour versions so you can choose the right size and capability for your space and power needs.

ENJOY THE FREEDOM OF CORDLESS

Performance and durability from start to finish. Our handheld tools were built to satisfy the demands of every garden.

CORDLESS BATTERY OPTIONS

A selection of Honda universal Li-ion batteries for the cordless range.

36V 6.0 Ah	8	35	55	0.82 kg

Batteries and chargers sold separately.

POWER YOU CAN COUNT ON

LAWNTRIMMER & CHAINSAW

Easy to handle and effortless to use. Our new Cordless Lawntrimmer has a cutting width of 330mm and is robust enough to tackle areas of thicker grass and weeds. The nylon cutting line is instantly replaced through a bump feed head providing continuous performance without compromising your cut. With a fully adjustable loop handle and harness to increase balance, it's been designed with comfort in mind.

Make short work of garden maintenance and preparing firewood with our new powerful, lightweight, easy-to-use cordless chainsaw – powered by our universal interchangeable 36v battery. Featuring a well-crafted design, seamless cutting performance, and essential safety attributes like the kickback brake, this chainsaw is well-suited for tackling your needs. Whether you're working with soft or hardwood, our automatic speed control adapts torque effortlessly to ensure the job is completed with precision.

MAINTENANCE MADE EASY

HEDGETRIMMER & BLOWER

With diamond-ground Swiss cutting blades, our new Cordless Hedgetrimmer can easily tackle branches up to 28mm thick. Precise cutting capability that will make all the difference when you're faced with unruly hawthorn or a wild berberis hedge. Also equipped with a saw (roughing) blade section to tackle especially tough areas.

Innovatively designed to deliver a powerful volume of air, our lightweight Cordless Blower is the perfect tool for clearing leaves, debris, and garden waste with ease. Built with variable speed control, which allows you to use your battery more efficiently, and a brushless motor that gives you optimum performance and a longer runtime.

PETROL RANGE

WORKS AS HARD AS YOU

Designed around our renowned 4-stroke engine technology, our petrol range is powerful enough to take on the most challenging tasks in the toughest environments. Reliable, durable and efficient to run, the petrol engines that power our compact and easy-to-use handheld products, have satisfied millions of customers around the globe.

HONDA 4-STROKE ENGINE

Our compact Honda 4-stroke GX25 and GX35 engines offer all the performance you'd expect from larger engines and strong torque across the entire rpm. With minimal vibration levels, low emissions and the added convenience of no longer needing to pre-mix oil and fuel, they are quiet, effective and easy to use.

INDUSTRY LEADING TECHNOLOGY

FEATURES

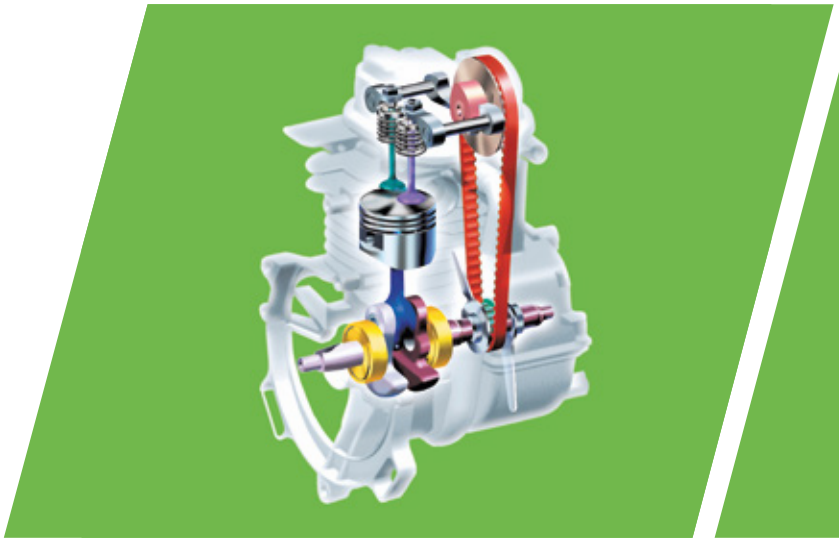

DECOMPRESSION SYSTEM

The GX25 and GX35 are equipped with a mechanical decompression system and super-lightweight flywheel to ensure their engines start smoothly, with minimal effort, every time.

360° LUBRICATION

For flexible usage and storage, a rotary slinger pumping lubrication system provides a constant flow of lubrication whatever the position of the engine.

COMPACT DESIGN

The mini 4-stroke Honda engines have a belt-driven OHC design which is compact and lightweight. In addition, the 4-stroke engine design reduces unpleasant mechanical noise, making them quieter and more comfortable to use for longer periods.

HIGH FUEL EFFICIENCY

An optimised fuel tank and low fuel consumption, of 0,54 litre/hour at maximum power, means these efficient engines offer impressively long running time between refills.

READY WHEN YOU ARE

BRUSHCUTTER

Our compact and reliable brushcutter range includes a manoeuvrable backpack brushcutter and a bent shaft brushcutter which is designed to reach tricky spots. The UMK / UMR 450 delivers constant power in the most demanding environments. Powered by our 4-stroke 2hp GX50 engine, and featuring an improved harness, anti-vibration system* and ergonomically designed grip, it's easy to start and a joy to use.

*Specific to UMK 450 XE.

ACCESSORIES

A range of versatile accessories are available across the range.

3 tooth blade

4 tooth blade**

**4 tooth blade only available on bike type model.

THE POWER TOOL THAT DOES IT ALL

VERSATOOL™

Our innovative, multipurpose Versatool™ can take on a huge range of garden tasks. With eight interchangeable push-and-click attachments, from pruners and linecutters to blowers and cultivators, and the choice of a GX25 or GX35 4-stroke engine to ensure a long lifespan, this is the ultimate garden power tool.

CUT WITH EASE

HEDGETRIMMER

When it comes to the pristine maintenance of large parks and gardens, Honda hedgetrimmers are indispensable. Our 60 or 75cm double-blade works quickly and efficiently to give you more control and make accurate trimming effortless. Ergonomic controls pair with an adjustable handle and low vibration frame to ensure this 4-stroke powered garden tool is as comfortable as it is reliable.

CLEAR WITH PRECISION

BLOWER

Our compact leaf blower is powered by the unrivalled Honda GX25 micro-engine that starts easily and runs smoothly with very little noise. Made for the year-round upkeep of gardens, parks, stadiums and streets, airflow speeds of 600 m^3/h clear heavy and wet debris with ease. Cruise control maintains engine speed allowing you to work comfortably without holding onto the trigger.

WORLD OF HONDA POWER PRODUCTS

Every innovative Honda product inspires the next, as we deliver on our commitment to making powerful equipment that is engineered for life. From the comfort and intuitive control of our lawn tractors to the complete autonomy of our Miimo robotic mowers and beyond. We've used our experience to create technologically advanced Snowthrowers that make clearing snow as effortless, efficient and reliable as possible and dependable and dynamic marine engines that have been refined over 60 years to deliver outstanding efficiency and enjoyable performance.

Contact your dealer for details.

You deserve complete confidence that you've made the right choice, long after you've made the purchase. That's why we appoint our Honda Authorised Dealers with as much care as we build into our products.

Look for the seal of quality when you buy your Honda, or call 0345 200 8000** and we'll find the closest to you.

SALES

Our Authorised Dealers not only feature a comprehensive display of Honda products to see and touch, but they know our product range inside-out. Every one follows an extensive Honda training programme with regular refresher courses – so you can trust in their valuable advice and experience to help you choose the product that's just right for you and your needs.

SERVICE

As well as offering the highest levels of after-sales service, our Authorised Dealers' factory-trained technicians perform a full Pre-Delivery Inspection (PDI) on every machine, and are fully equipped to keep your product in peak condition with cost-effective servicing. Of course, you can also be assured that only high quality, genuine Honda parts are used, with access to our 24hr parts delivery service for fast and efficient turnaround.

EXPERTISE

Our Authorised Dealers are true experts in their field, often with years of first-hand experience under their belt. In fact, their knowledge and experience plays an important role in making sure that our Research and Development team is given feedback from our customers, so we can ensure that new and improved models continue to meet your future needs too.

UNRIVALLED QUALITY, FOR PEACE OF MIND

THERE'S A SIMPLE REASON WHY YOU'LL SEE SO MANY OLD HONDA PRODUCTS STILL IN USE. OURS ARE BUILT BETTER, TO LAST LONGER.

That's not just an idle promise. It's fact. Our enviable reputation for durability and reliability is supported by our cast iron warranty, covering both parts and labour. Our warranty maintains the same value throughout its lifetime too – meaning the last day of cover is exactly the same as the first: solid and dependable.
