CORDLESS

ENGINEERING FOR *Life*

IT'S NOT JUST CLEVER ENGINEERING, IT'S ENGINEERING FOR *Life*

When designing our gardening range, we looked at your life from every angle, and put decades of experience into creating technology that solves problems. Our aim was not only to build the best possible tools for the job, but to create products that are a joy to use and own.

DURABLE. RELIABLE. POWERFUL.

HONDA UNIVERSAL BATTERY SYSTEM

The Honda Li-ion battery can power any tool in our cordless range and recharge takes only minutes. Simply switch our efficient battery to another cordless Honda tool to enjoy the constant, unwavering performance and significantly higher runtime of our Thermo Smart technology in every single part of your garden.

A BATTERY FOR EVERY SPACE

Three battery sizes ensure you'll find the perfect amount of power for your gardening needs, whether you're taking on small or large tasks.

THERMO SMART TECHNOLOGY

Thermo Smart technology improves heat dissipation, and allows for a continuous high current draw, to give you high performance even in tough conditions.

COOLING AND CONDITIONING

For optimum battery life and performance, Honda's new 2 and 8 Amp chargers are fully compatible with all Honda cordless gardening tools and batteries. Both have built-in cooling fans to control high temperatures and technologies that actually restore your battery as they charge.

FULLY INTERCHANGEABLE

Our easy to load batteries are fully interchangeable and designed to seamlessly fit all three handheld cordless products as well as our cordless lawnmowers. Each battery is available in 2, 4, and 6 Amp hour versions so you can choose the right size and capability for your space and power needs.

Batteries and chargers sold separately.

INDUSTRY LEADING TECHNOLOGY

FEATURES

LAWNMOWER FEATURES

We've set the standard for cordless lawnmowers. Useful high performance technologies such as the Versamow™ Mulching System join the HRX's Select Drive and izy-ON's single speed transmission to create a range of mowers designed to match the needs of gardens, and gardeners, everywhere. Each works effectively with our impressive Honda Universal Battery System, which recharges within minutes, and gives you unrivalled performance throughout the day - and the capability to tackle lawns of up to 450m²* on one single charge.

*Achieved when using the 6.0 Ah DP3660XA battery.
Area capacity depends on grass density, length and moisture, cutting height, inclines in the lawn, and frequency of stop-start.

VERSAMOW™ SELECTIVE MULCHING SYSTEM

Integrated mulching capability means you can mulch, collect or discharge, simply by adjusting a lever.

VERSAMOW™ VARIABLE MULCHING SYSTEM

Switch between seven collection and mulching modes and control just how much grass is mulched or collected.

PRESSED STEEL, POWDER COATED DECKS

Featured on the izy-ON series.

Built for durability and performance. This lightweight and hard-wearing deck is both easy to manoeuvre and resistant to corrosion and UV rays.

POLYSTRONG DECK*

Made with incredibly strong and durable polymer materials, this deck is highly resistant to dents, UV and corrosion.

SELECT DRIVE*

For added comfort, Select Drive enables you to cleverly select a constant mowing speed.

QUIET MODE*

Reduces noise output by 5dB, but still offers a similar level of torque to standard mode.

WEATHERPROOF

Our cordless lawnmowers are weatherproof and can be cleaned with a hose for easy maintenance.

CENTRAL CUTTING HEIGHT ADJUSTMENT*

Adjusting the cutting height of your HRX lawnmower is effortless and allows precise control of lowering or raising the deck.

* Available on HRX model only.

HANDHELD FEATURES

Efficient, effective and comfortable, this hardworking range gives you everything you need to get the job done. Each tool is powered by Honda's Universal Battery system that delivers sustained power. No cords, no compromises, there really is nothing holding you back.

LIGHTWEIGHT DESIGN

Honda's new Cordless garden range tools are lightweight and easy to lift, making them comfortable to use for as long as you need.

COMFORTABLE HANDLING

Extensive gardening tasks call for increased comfort. As well as a carrying strap on our Lawntrimmer, you can find a customisable handle grip on the Hedgetrimmer and Lawntrimmer, making it easier to balance and comfortably manage your tool.

VARIABLE SPEED CONTROL

Enjoy complete control with a variable speed trigger on both the Blower and Lawntrimmer, allowing you to find your perfect speed.

ENJOY THE FREEDOM OF CORDLESS

Performance and durability from start to finish. Our handheld tools were built to satisfy the demands of every garden.

POWER WITHOUT COMPROMISE

IZY-ON

Our izy-ON is packed with all the power and durability that gardeners need. Versamow™ Selective Mulching gives you the choice of collecting or mulching your grass clippings whilst a single-speed transmission and flexible cutter-height adjustment give you the freedom to mow your lawn however you choose. With IP54 weatherproof certification, a hard-wearing pressed steel deck, a powerful brushless motor and Honda's Universal Battery System, you can enjoy a new level of performance.

THE FUTURE AT YOUR FINGERTIPS

HRX

Our Cordless HRX has an intuitively premium interface which is conveniently mounted on the handlebar for an enhanced experience. Select drive allows you to choose a comfortable 'cruise control' setting. Quiet mode further reduces noise levels and a single lever adjustment lets you easily pick your preferred cutting height. Whilst a low friction blade, a 1.8 kW motor and Honda's Universal Battery System ensure maximum performance at all times.

LAWNTRIMMER & CHAINSAW

NEW

Easy to handle and effortless to use. Our new Cordless Lawntrimmer has a cutting width of 330mm and is robust enough to tackle areas of thicker grass and weeds. The nylon cutting line is instantly replaced through a bump feed head providing continuous performance without compromising your cut. With a fully adjustable loop handle and harness to increase balance it's been designed with comfort in mind.

Make short work of garden maintenance and preparing firewood with our new powerful, lightweight, easy-to-use cordless chainsaw – powered by our universal interchangeable 36v battery. Featuring a well-crafted design, seamless cutting performance, and essential safety attributes like the kickback brake, this chainsaw is well-suited for tackling your needs. Whether you're working with soft or hardwood, our automatic speed control adapts torque effortlessly to ensure the job is completed with precision.

MAINTENANCE MADE EASY

HEDGETRIMMER & BLOWER

NEW

With diamond-ground Swiss cutting blades, our new Cordless Hedgetrimmer can easily tackle branches up to 28mm thick. Precise cutting capability that will make all the difference when you're faced with unruly hawthorn or a wild berberis hedge. Also equipped with a saw (roughing) blade section to tackle especially tough areas.

Innovatively designed to deliver a powerful volume of air, our new lightweight cordless blower is the perfect tool for clearing leaves, debris, and garden waste with ease. Built with variable speed control, which allows you to use your battery more efficiently, and a brushless motor that gives you optimum performance and a longer runtime.

WORLD OF HONDA POWER PRODUCTS

Every innovative Honda product inspires the next, as we deliver on our commitment to making powerful equipment that is engineered for life. From the comfort and intuitive control of our lawn tractors to the complete autonomy of our Miimo robotic mowers and beyond. We've used our experience to create technologically advanced Snowthrowers that make clearing snow as effortless, efficient and reliable as possible and dependable and dynamic marine engines that have been refined over 60 years to deliver outstanding efficiency and enjoyable performance.

Contact your dealer for details.

You deserve complete confidence that you've made the right choice, long after you've made the purchase. That's why we appoint our Honda Authorised Dealers with as much care as we build into our products.

Look for the seal of quality when you buy your Honda, or call 0345 200 8000** and we'll find the closest to you.

£ SALES

Our Authorised Dealers not only feature a comprehensive display of Honda products to see and touch, but they know our product range inside-out. Every one follows an extensive Honda training programme with regular refresher courses – so you can trust in their valuable advice and experience to help you choose the product that's just right for you and your needs.

SERVICE

As well as offering the highest levels of after-sales service, our Authorised Dealers' factory-trained technicians perform a full Pre-Delivery Inspection (PDI) on every machine, and are fully equipped to keep your product in peak condition with cost-effective servicing. Of course, you can also be assured that only high quality, genuine Honda parts are used, with access to our 24hr parts delivery service for fast and efficient turnaround.

EXPERTISE

Our Authorised Dealers are true experts in their field, often with years of first-hand experience under their belt. In fact, their knowledge and experience plays an important role in making sure that our Research and Development team is given feedback from our customers, so we can ensure that new and improved models continue to meet your future needs too.

UNRIVALLED QUALITY, FOR PEACE OF MIND

THERE'S A SIMPLE REASON WHY YOU'LL SEE SO MANY OLD HONDA PRODUCTS STILL IN USE. OURS ARE BUILT BETTER, TO LAST LONGER.

That's not just an idle promise. It's fact. Our enviable reputation for durability and reliability is supported by our cast iron warranty, covering both parts and labour. Our warranty maintains the same value throughout its lifetime too – meaning the last day of cover is exactly the same as the first: solid and dependable.
